THE EUROPEAN COMMISSION,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007¹, and in particular Article 187 thereof,

Whereas:

- (1) Commission Implementing Regulation (EU) 2020/761² lays down the rules for the management of import and export tariff rate quotas for agricultural products managed by a system of import and export licences and provides for specific rules for that management.

- (3) Regulation (EU) 2024/1392 of the European Parliament and of the Council⁴ lays down temporary trade-liberalisation measures supplementing trade concessions applicable to Ukrainian products. That Regulation, suspending all tariff-rate quotas established under Annex I-A to the Association Agreement applies until 5 June 2025, following which trade between the Union and Ukraine reverts to the rules established under the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine, of the other part⁵ (the 'Association Agreement').
