Brussels, 7 November 2025

Dear MEP Andersson,

I am contacting you to follow up on our correspondence of May 2025 and the Employment and Social Affairs Committee's interest in meeting Amazon. We continue to believe that cooperation with the Committee is important and remain eager to work with you, and the other members of your Committee, on topics of mutual interest.

With this in mind, I would like to reiterate our willingness to participate in an exchange with you and other Committee members. For this exchange, we propose the participation of two senior European leaders, along with participation by video link of a Seattle-based US Senior Vice President.

Additionally, I would like to once again extend our invitation for Committee members to visit an Amazon facility so that you can see our operations first-hand and meet employees.

I look forward to hearing from you.

Yours sincerely,
